AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve. Report reflects all national service locations active between January 18, 2022 and January 17, 2023. Current participants reflects national service participants serving in Washington as of January 17, 2023. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve.

Report reflects all national service locations active between January 18, 2022 and January 17, 2023. Current participants reflects national service participants serving in Washington as of January 17, 2023. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve.

Report reflects all national service locations active between January 18, 2022 and January 17, 2023. Current participants reflects national service participants serving in Washington as of January 17, 2023. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve.

Report reflects all national service locations active between January 18, 2022 and January 17, 2023. Current participants reflects national service participants serving in Washington as of January 17, 2023. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve.

Report reflects all national service locations active between January 18, 2022 and January 17, 2023. Current participants reflects national service participants serving in Washington as of January 17, 2023. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve.

Report reflects all national service locations active between January 18, 2022 and January 17, 2023. Current participants reflects national service participants serving in Washington as of January 17, 2023. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve. Report reflects all national service locations active between January 18, 2022 and January 17, 2023. Current participants reflects national service participants serving in Washington as of January 17, 2023. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve.

Report reflects all national service locations active between January 18, 2022 and January 17, 2023. Current participants reflects national service participants serving in Washington as of January 17, 2023. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve.

Report reflects all national service locations active between January 18, 2022 and January 17, 2023. Current participants reflects national service participants serving in Washington as of January 17, 2023. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve. Report reflects all national service locations active between January 18, 2022 and January 17, 2023. Current participants reflects national service participants serving in Washington as of January 17, 2023. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve.

Report reflects all national service locations active between January 18, 2022 and January 17, 2023. Current participants reflects national service participants serving in Washington as of January 17, 2023. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve.

Report reflects all national service locations active between January 18, 2022 and January 17, 2023. Current participants reflects national service participants serving in Washington as of January 17, 2023. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.

AmeriCorps NCCC members and AmeriCorps Seniors volunteers may serve at more than one service location in the report; they are counted at each location in which they serve. Report reflects all national service locations active between January 18, 2022 and January 17, 2023. Current participants reflects national service participants serving in Washington as of January 17, 2023. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations.
